

MAKERSPACE CLUB

MES students in 3rd, 4th, and 5th grade are invited to join the Makerspace Club. Each month students will participate in a different STEM challenge. Challenges will include building with Legos, creating inventions with recycled materials, and programming robots. The club will meet on the **second Thursday** of every month unless otherwise noted.

- Makerspace Club meets from 7:45-8:25. **No late students will be allowed to participate.**
- Parents **must** park their cars and walk students up to the building.
- Students should be in good academic and behavioral standing.
- Students do not have to attend every meeting, but they must have a signed permission slip on file in order to participate. We encourage consistent participation.
- The first 25 students to turn in signed permission slips will be invited to join. Students who turn in permission slips after that date will be put on a waiting list.
- Direct any questions to the club sponsors, Ms. Moses (mmoses@ycsd.york.va.us) and Mrs. Fike (efike@ycsd.york.va.us).

Please cut off and return this section to your child's teacher if you give permission to participate in the club:
