

# TABB ELEMENTARY SCHOOL

July 18, 2022

Dear Tabb Families,

I am excited to begin the 2022-23 school year as the principal of Tabb Elementary. I am looking forward to meeting and getting to know our magnificent students, families, and community partners. I cannot wait to experience all of the wonderful traditions that make Tabb Elementary a special place for our students, staff and families.

This past school year I completed my 8th year with York County Schools, and my 22nd year in public education. I began as a Pre-K teacher in Georgia before moving back home to Virginia where I was an English as a Second Language Teacher in Hampton City Schools. I transitioned into the Curriculum Leader position for the English as a Second Language Department after I earned my Masters Degree in Educational Leadership from Old Dominion University. During my time in Hampton City Schools, I was also an inclusion teacher, and behavior management coach. York County School Division launched my career in school administration when I became an assistant principal at Magruder Elementary. I also served as the assistant principal at Waller Mill Elementary-Fine Arts Magnet School, and most recently at Seaford Elementary. I am very humbled that my leadership journey has brought me to Tabb Elementary to begin my first year as Principal.

My journey has been filled with learning experiences, professional development, and growth opportunities that I believe have prepared me to successfully serve the Tabb Community as Principal of Tabb Elementary, a school where "Together Everyone Succeeds"! It is my goal to continue building on this legacy.

Let's get started!

Beth Welch

Principal, Tabb Elementary
