

TABB ELEMENTARY SCHOOL

Dear Tabb Families,

Welcome to Tabb Elementary! Your new admin team is excited to continue Tabb's tradition of student-centered educational excellence in the '22-'23 school year. As Assistant Principal, I will place an emphasis on creating an inclusive culture which supports our educators, promotes parent-teacher collaboration, and prioritizes the educational, social, and emotional growth of our students. As our school motto states, "together everyone succeeds."

I have been an educator for the past 20 years. I have been part of the York County School Division since 2020. My background, and first love, is special education. I will strive to create a learning environment which places equal emphasis and opportunity on students across the spectrum of learning. I have experience in inclusion instruction, general education, behavior support and administrative roles.

The foundation of my educational philosophy is relationships. If we're not working together, we're working alone. I will do everything I can to promote healthy relationships in our community. My ideal, is a school where staff feel safe and excited to come to work and collaborate with you, our students and each other. By working together, we can provide the best opportunity for everyone to fulfill their potential.

As your Assistant Principal, it is important that everyone who steps through the doors feels warmth and excitement from our staff. My door is always open, and I welcome your input and collaboration. I look forward to working with the Tabb family this school year.

Go Tigers!

Bree A. McCarthy, M.Ed.

Assistant Principal, Tabb Elementary School
