## Student Support and Independent Learning Days

Each Wednesday (excluding Sept. 9), students will need to follow their teacher's expectations for the day, as to whether they will be completing independent work/studying, collaborating with peers, or joining a scheduled content based student support session.

These sessions can include, but are not limited, to social emotional learning, small group and remediation sessions, AP tutorials, writing conferences, assessments, teacher appointments, student collaboration and study groups (student and teacher lead) and independent work. Students will receive Wednesday Work directions/assignments for all classes.
