

YCSDAthletic Travel Permission

The permission of a parent or legal guardian is required before a minor student can travel to or from athletic activities/events in a private automobile driven by the either the student themselves or by an authorized adult (The Peninsula and Williamsburg areas only). The signing of this form indicates that the parent or legal guardian is aware that the student will travel by private automobile, and that the student will not be supervised by school personnel during transportation by private automobile.

All of the listed information below must be provided in order for the student to be allowed to travel in a private automobile.
