APPLIED MATH IN ACTION!
PRE-COLLEGE SUMMER PROGRAM

JUNE 21–26, 2020

Live on our beautiful campus for a week and have fun learning about applied mathematics and STEM careers while exploring Washington, D.C.! Visit NASA, the national monuments, the National Air and Space Museum, and more.

Who? High school and pre-college students interested in mathematics.

For more information, visit the Department of Mathematics at math.cua.edu/applied-math-in-action
