Relay For Life

TMS Tigers For a Cure is the TMS Relay For Life team. We are made up of students, staff, and family members. This is our 8th year with a team at TMS. We invite students and any other members of the TMS community to join our team. There will be several activities during the school year, such as the school Pink Out that we had in October. This month we are having a Spirit Night fundraiser at Chick-fil-A on Monday, November 19th from 5-8pm at the Victory Blvd and Yoder Plaza locations. Please come out and support our team in raising money for the American Cancer Society. You can dine in, carry out, or swing through the drive-thru. Just be sure to tell the cashier that you are there to support TMS Relay For Life. The higher the sales we bring in the higher the percentage that we will receive toward our fundraising goal of \$5000.

We have already raised \$1475 thanks to the teachers who pay to wear jeans one Friday a month, sales of car raffle tickets, and the snacks sales after school on Tuesdays and Thursdays. The team is still selling tickets for a Nissan Rogue that is being raffled off by Hall Nissan, part of the MileOne Autogroup. All proceeds will benefit the American Cancer Society's local research and patient transportation needs. Winner will be chosen on December 17, 2018 at 12:30 at Hall Nissan Virginia Beach. You can watch the raffle live on the Hall OneMile Autogroup Facebook page. The tickets are \$10 each and can be purchased from Mrs. Reynolds. Please feel free to contact her at treynolds@ycsd.york.va.us if you are interested in purchasing a ticket. The deadline for selling tickets in December 10th.

Our team Relay page link is

You can use this link to join the team or make a donation. If you need more information about the team or are interested in joining, please contact Mrs. Reynolds with any questions.

CLINIC NEWS

Students who do not feel well are to report to the clinic to be evaluated by TMS Nurse, Mrs. Borders.
Students may not call or text their parents to ask to be picked up for any reason.

Parents please do not send your students to school if they have a fever, severe cough or flu symptoms.
They need to be fever free, no vomiting or diarrhea for 24 hours prior to returning to school.
Always consult your student's doctor if you are concerned about his or her condition. When the clinic calls
for you to pick up your student, please come as soon as possible.
The following information may help decrease the spread of illness:
Talk to your physician about your child getting a flu shot/mist

GOOD HANDWASHING

Encourage fluids and rest. Student may bring in water bottle.
Keep tissues and antibacterial waterless soap in your child's backpack.
Have your child cough into their elbow.
Avoid touching their eyes, nose and mouth.
Don't share drinks or drink bottles.

Students may bring in cough drops (non-medicated) WITH A NOTE from parent giving them permission to
take as needed throughout the school day. The student should keep the note with them and show the
teacher/staff member if requested. PLEASE DO NOT SEND IN MEDICATION WITH YOUR CHILD if medication
is needed at school. All medication must be brought to the clinic by a Parent/Guardian with completed
Medication Form.

TMS appreciates your help in keeping sick students at home.

ATTENDANCE REMINDERS

Tardies and early dismissals are increasing. Please make every effort to schedule appointments for your
student in order to reduce the amount of time they will miss instruction.

Tardiness to School - Students are expected to be in their first class on time. If tardy, students should bring
a note from a parent or guardian indicating the reason for the tardiness, sign in and secure a tardy slip from
the attendance office. The determination of whether the tardy is excused or unexcused will be determined
by school administration.

Early Dismissal - Students should bring a note from a parent or guardian indicating the reason for the early
dismissal, sign out in the office, and sign back in when they return. Parents/Guardians should report to the
school office to sign a student out of school during regular school hours.

If your student is absent and the Attendance Secretary has not been notified, an automatic phone call will
be sent at 10:15am to confirm your student's absence. All absences require a note from a parent or doctor
to be excused. Please call 898-0321, and send a note to the office or email pkrewinghaus@ycsd.york.va.us

TMS AFTER SCHOOL ACTIVITIES AND ACTIVITY BUSES

After school activity buses have begun and will run on Tuesdays and Thursdays.

All students are expected to notify their parents if they are staying after school. Please confirm with your
student if they are taking the activity bus home or have parent pick up.

Thursday buses will not be used for clubs but will be strictly used for remediation and opportunities for extra
academic assistance with select teachers. Students must make arrangements in advance with a teacher to
stay after school and receive a bus pass from the teacher to ride the activity bus. Activity buses will leave
Tabb Middle at 4:00 on Tuesdays and Thursdays. As a reminder, these bus routes are much longer and will
require later drop-offs, particularly on Thursdays when we will have two buses making runs.

Each Monday at the beginning of first block, students are shown a PowerPoint, which advertises upcoming
clubs, activities and sports schedules. Last week the students received a club pamphlet with a description of

clubs and activities in their PE class. Signed permission slips must be returned club sponsors on the first day the club meets. Students who do not have a signed permission slip may not stay after school. This information and permission slips are also available on the TMS website under Activities.

TMS CLOTHING TO CASH RECYCLING PROGRAM

A large white collection bin has been placed in the parking lot near the bus parking lot and we are excited to get started. Tabb Middle School will be paid for every pound that is collected. All materials will be reworn, repurposed or, as a last resort, recycled. A flyer has been attached to this Tiger Times which explains the items that are collected.

All collected clothing in:

- good or better condition is given a second life at thrift stores here in the U.S.
- less than good condition will be repurposed (i.e. worn out items could be turned into rags)
- poor condition will be processed for recycling

Recycling happens as the final option. This program accepts ALL Clothing, in ALL Conditions, this is what makes Clothing to Cash® unique.

TRANSPORTATION – BUS ROUTES

The York County School Division has a software system to manage school bus transportation. The system is designed to improve bus routing efficiencies and bus tracking while a bus is on its assigned route.

Families can use the system to find regular bus routes, bus stops and bus stop times for the 2018-19 school at: <http://yorkcountyschools.org/parents/transportation/default.aspx>

The arrival time is an automated estimate for all regular full school days; actual arrival times are determined by school departure time, travel distance, traffic, route design and student needs.

The MyStop app provides information about the child's bus while it is traveling the assigned route. The MyStop app includes notifications if a child's bus is running behind schedule. Bus Routes and MyStop can be accessed through the school division and all school websites as well as the new YCSD app.
<http://yorkcountyschools.org/parents/transportation/myStop.aspx>

NOTE: Runs are continually updated through the first month of school.

PRIVATE TRANSPORTATION- IMPORTANT NOTICE!

For the safety of our students and staff, students who are brought to school by private means of transportation should only be dropped off and picked up in the front of the building between the two safety crosswalks. Please refrain from parking and directing students to walk across the parking lot. This practice is not only dangerous but it also hinders the flow of traffic as families follow our arrival and departure procedures.

If you are entering the parking lot from Hampton Hwy and the first entrance is backed up to Yorktown Road, please proceed to the second entrance across from Villa Way. This allows us to keep traffic on Yorktown Road moving and allow our buses to enter the parking lot.

The side parking lot (near the trailer) will be roped off just before dismissal. Those who park in the lot prior to the closure will not be permitted to leave the parking lot until all cars in the parent pick up line have departed. Those few families who are approved to use this lot due the needs of their student have been given a placard to place in their vehicle and will be permitted to load and unload in this lot. We understand your time is very valuable and try our best to expedite our dismissal process, but the safety of our students, parents and staff is our top priority.

As an additional reminder, drivers are asked to refrain from using cell phones during student drop off and

pick up. We need drivers' complete attention to follow the directions of staff and the crossing guard. Thank you for helping us ensure a safe environment for our school community!

FORGOTTEN SCHOOL ITEMS

Unfortunately, we notice a rising number of forgotten items being dropped off in the office each year- lunchboxes, instruments, completed assignments and athletic equipment among others. We recognize students may occasionally forget an item needed for school and we understand you mean well when delivering these items, but...

Each dropped off item (and each message that needs to be relayed to your student) impacts our learning environment, something we endeavor to protect. A call to the classroom disrupts the flow of instruction for all students and deprives your student of valuable instructional time. Next time your student forgets an item, consider it a powerful teachable moment.

Resist the urge to swoop in and save the day. Leave the forgotten item at home. Your student may receive a lowered grade on an assignment or may be less prepared for an after school activity. While it may make your student uncomfortable, he or she will likely learn from the natural consequence and adapt their behavior moving forward. As such, students will only be allowed to use the phone in the event of unusual circumstances. Parents are asked to limit requests for delivery of reminders/messages to students to only those of an urgent nature, as noted in the Student Handbook.

Thank you in advance for helping us prepare our middle schoolers for high school and beyond by promoting personal responsibility and organization- skills that will prepare them for lifelong success while helping us maintain a learning-focused environment. We appreciate your support!

TMS DRESS CODE

It is important that all students know how they are expected to dress for school. The Dress Code Policy can be reviewed on the TMS website: <https://ycsd.yorkcountyschools.org/domain/703>

BRING YOUR OWN TECHNOLOGY – HELP US MAKE BYOT SUCCESSFUL!

In order to keep YCSD's "Bring Your Own Technology" initiative a productive part of Tabb's academic environment, we need to make sure everyone is aware and understands the guidelines and expectations for student use of technology in the classroom:

- Students should use devices for instructional purposes, only when directed by the teacher. When not in use in the classroom, devices should be stored, as directed by the teacher.
- Social media (i.e., Facebook, Twitter, etc.) should be used for instructional purposes, only when directed by the teacher. When not in use in the classroom, devices should be stored, as directed by the teacher.
- Students are not permitted to use electronic devices in the hallways, during restroom breaks, or in the cafeteria.

Students should not be receiving text messages during the school day. Electronic devices should be placed in the student's locker in the morning.

SECURING VALUABLES

It is unfortunate, but occasionally theft can occur at our school. As a result, we highly encourage students to leave valuables at home. If, however, students choose to bring valuable items to school, they are expected and encouraged to take the appropriate precautions. When participating in PE or after school activities, valuable items should be stored in students' lockers with the lock securely fastened and dial turned. While in the classroom, students should be mindful of their items and refrain from leaving them unattended. Let's all work together to prevent theft at our school by securing our property. Additionally, if students should find something that does not belong to them they should turn it over to an adult.
