| Subscribe | Name | Description |
|-------------------------------------|--------|---|
| <input checked="" type="checkbox"/> | Grades | <p>This subscription will notify you when any grades below a specified threshold are entered for this student. Grades are scaled as a percent from 0 to 100. If a student receives a class assignment or test grade that is below the specified threshold, a notification will be sent to your email address.</p> <p>In the space below, please enter a grade threshold to use for determining what grades to report. This should be a number from 0 to 100. For example, an entry of 75 would trigger a notification for any grade entered that scaled below 75%.</p> <p>Grade Threshold <input type="text" value="70"/></p> |

Notification

3. At the top of the page, any email addresses associated with your account appear. Select the checkbox next to each email address you want to receive notifications.
4. After viewing the description of each email, select the **Subscribe** checkbox if you want to receive that email notification.

Note: For the **Grades** notification, define a **Grade Threshold** between 1 and 100. The system will send an email when the student receives a grade below that percentage.

For each subscription, the system sends the appropriate messages to the designated email account. To view/change this account, click **Set Preferences** on the settings bar at the top of the page, then the **Security** sub-tab.

Note: Your changes to this screen are saved automatically. There is no **Save** button.
